Student Request for 2018 IRS Verification of Nonfiling Letter

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law requires that before awarding Federal Student Aid, we confirm the information you reported on the FAFSA. The instructions below will assist you in obtaining the 2018 IRS Verification of Nonfiling Letter. Please submit the letter to our office within 30 days of this request. If there are discrepancies between the data on your FAFSA and the information on the IRS Verification of Nonfiling Letter, your FAFSA may need to be corrected.

The instructions below apply to the student and spouse, if the student is married.

You, and your spouse if married, indicated on the FAFSA that you **will not file and are not required to file a 2018 income tax return with the IRS**. As part of the verification process, you must submit IRS confirmation of your nonfiling status.

Please complete the Request for Transcript of Tax Return, Form 4506-T, provided below. For your convenience, we checked Box 7, Verification of Nonfiling, and indicated the 2018 year ending date.

Michigan residents may fax or mail Form 4506-T to the IRS:
