

Madonna University Career Services

4 Year Career Plan

First Year

- Concentrate on getting good grades.
- Participate in campus activities.
- Complete the DISCOVER career assessment.
- Gain practical experience through on-campus employment, summer jobs or volunteering.

Sophomore

- Meet with a career counselor, instructor or professional to discuss your career goals.
- Start seeking experiences related to your field (volunteer, jobs, and internships).
- Attend a Co-op/Internship Information session.
- Continue your involvement in extracurricular activities.

Junior

- Pursue leadership roles in your activities.
- Complete an internship or co-op in your chosen field to evaluate your career choice.
- Search the MU Job link for current internships and/or jobs.
- Attend Career Services workshops.
- Considering graduate school? Begin doing research.

Senior

- Meet with a Career Services professional to discuss your job search strategies.
- Create a professional resume.
- Attend job fairs.
- Choose faculty and employers you want to write references for you.
- Download your resume to MU Job Link and search for openings.
