

HEALTH INSURANCE

The cost of health care in the U.S. is high because none of the medical facilities available here are government owned. All International students at Madonna University are required to carry catastrophic health insurance that is valid in the United States.

If you would like to use a plan from your home country to meet the medical insurance coverage requirement, you need to send proof of coverage, in English, via FAX (734)432-5344 to the University Student Accounts Office **AND** send an E-mail (sa@madonna.edu) to confirm that the FAX has been sent. Such proof and notice have to reach the Student Account Office **no later than Friday of the first week of classes**. Without such proof, you must purchase student insurance through Madonna University. Your account will be charged automatically of the insurance cost if no proof of medical insurance is received by the Student Account Office by the deadline. After the deadline, no credit for health insurance will be processed .

Students can obtain a copy of Columbian Life's privacy policy from Student Life's Office at Madonna University or download the policy. Any questions about the policy should be directed to:
