

YOUR SUCCESS: OUR GREATEST ACHIEVEMENT!

TO: All Madonna University Students
FROM: Sister Nancy Marie, CSSF
Vice President for Student Services and Mission Integration
RE: Current Information for the Upcoming School Year
DATE: August 26, 2008

Message from Sister Rose Marie, CSSF, President:

Welcome to another year of learning and growing in wisdom, friendship and understanding. One of our great Rear Admirals of the U.S. Navy, Grace Murray Hopper, once wrote: "A ship in port is safe, but that's not what ships are built for." The same could be said of people. I encourage you to launch into the deep, to penetrate the mysteries of great thoughts, to study generously and intently, to appreciate the opportunity to live in this great country, and to learn from the many diverse students who will walk into your classes and into your lives. May you be tremendously enriched and solidly educated here at Madonna University.
