**General Education Courses at Orchard Lake Center: Two Year Cycle**

At Madonna University Orchard Lake Center, we offer courses to fulfill each of the various General Education goals and sub-goals on a two-year cycle. That is, you will be able to select courses at the Orchard Lake Center to fulfill all your requirements within a period of two years or less; in some cases, there will be multiple opportunities at the Orchard Lake Center to fulfill a General Education requirement within any two-year span.

Call the Orchard Lake Center Enrollment Services Coordinator at (248) 683-0523 for the latest information on the General Education “cycle.”

Liberal arts education is an education for life, designed to expand a student's understanding of significant ideas and issues related to culture and the complexity of the modern world. All undergraduate students are required to complete a program of study which includes a General Education core, as well as requirements of a major.

The General Education requirements are based on eight academic goals and competencies, which integrate career preparation with the liberal arts. The general education goals are organized under the following headings:

1. Communication
2. Religious Values
3. Cultural Traditions
4. Scientific Inquiry
5. Personal and Social Environment
6. World Citizenship
7. Personal and Professional Development
8. Significant Content Knowledge

(Specific information about courses that fulfill the General Education requirements can be found in the [Undergraduate Bulletin](#).)
