

MADONNA UNIVERSITY

Ford Community Corps

The Ford Motor Company Fund has provided financial support to assist Madonna University in order to help develop strategic partnerships to order to help communities. Six majors of study at Madonna University including, business, education, sociology, journalism/communications, dietetics, and social work, are working together as a part of Ford Community Corps to help enhance Ford Motor Company's commitment to helping communities.

The Primary Goal: Is to help and support faculty and students that are interested in service-learning by developing a service-learning project to help meet the needs of an agency, business and people.

Community Partners:

- Cass Social Services, Detroit
- Earthworks Detroit
- FirstStep Domestic Violence, Warren
- Lion's Club, MU Chapter
- Adult Autism Spectrum Disorder Program, Plymouth-Canton Schools
- Partnership of the Arts, Canton
- Sweet Dreamzzz, Farmington
