

Madonna University

Office of Continuing Education & Professional Studies

36300 Schoolcraft Rd., Maertens Building, Rm. 102, Livonia, MI 48150 · (734) 432-5804

Prep Course for Pharmacy Technician Certification Board (PTCB) Exam (CPS 4040, Sec 01)

This 12-hour course provides helpful tips, study methods and insight to those “trick” questions that often throw off the unprepared test taker. This review class includes pharmacy history and laws, medical terminology, organ systems, disease states, parental and compounding, conversions and dosage calculations. Students will also learn generic and brand names, vitamins, herbal supplements and special drug considerations. Practice tests with answers will be provided.

Mon. & Wed., Jan. 30-Feb. 15, 2012, 7-9 p.m.

Livonia Campus, Academic Building, Rm. 1504

Tuition: \$129, includes study guide

Instructor Thomas Hing holds a bachelor's degree in pre-med from the University of Michigan. A recent graduate of the Pharmacy Technician class at Madonna University, Hing received top scores on his final and PTCB exams. He currently works in a retail pharmacy.
