

## Admission Requirements

### Master of Science in Business Administration: Leadership Studies

Applications are evaluated based on the following:

- Possession of a bachelor's degree from an accredited institution with an undergraduate grade point average of 3.0 on a 4.0 scale. An average of less than 3.0 will be reviewed for conditional admission.
- Two letters of recommendation from current employer or professional people familiar with the **applicant's work or college performance.**
- Full-time employment or substantiated prior full-time work experience.
- Current résumé
- Admission interview with a School of Business faculty member.
