

Admission Requirements

Master of Science in Business Administration: International Business

Applications are evaluated based on the following:

- Possession of a bachelor's degree from an accredited institution with an undergraduate grade point average of 3.0 on a 4.0 scale. An average of less than 3.0 will be considered for conditional admission.
- Two letters of recommendation from current employer or professional associates familiar with the applicant's work or college performance.
- Interview with a School of Business faculty advisor. International students unable to visit the campus for an interview will submit an autobiographical essay focusing on the questions in the application packet.
- Full-time employment.
- A current resume.
