

Your success is our greatest achievement!

Why Madonna?

Imagine for a moment you're a new lawyer in a prestigious New York firm. Or an environmental engineer, nurse, police officer, education teacher or a junior accountant facing your first day on the job.

No matter what your educational and professional goals, you'll face unexpected challenges – not just the first day on the job, but every day. Whether you plan to attend graduate school after college or land your first job, a Madonna University degree provides you with the superior academic experience you need as a starting point for success.

What makes a Madonna University education so unique?

Our size makes it possible for you to receive the personal attention to define your goals, choose the right courses, and excel academically. Yet, we're structured as a university, offering six distinct undergraduate schools – Arts & Humanities, Business, Education, Nursing & Health, Science & Mathematics, and Social Science with more than 50 academic programs.

The foundation of your Madonna University education is a distinctive general education curriculum that has garnered acclaim from the [North Central Association of Colleges and Schools](#). These courses are designed to exercise your intellectual flexibility, hone your communication skills, and offer you a broader perspective on the world.

As you will surely find, Madonna University is fortunate to have dedicated faculty who represent both the institution and their professions with competence and a sense of purpose. Our faculty members bring their own educational preparation, professional development and professional experience to the classroom. They truly allow learning to come alive while you apply and refine your skills with knowledge and supervision, to develop the attitudes necessary for personal and professional fulfillment. Grounded with an ethical foundation, you will greatly benefit from this style of education.

Madonna is a dynamic and innovative university where your total development as a growing person is our focus. To learn more about how we prepare you to face the challenges of tomorrow, contact us at 734-432-5339 or 800-852-4951, ext.5339.
