What is a consortium?

Madonna University belongs to multiple consortiums that allow our students to take courses through other institutions that are also members of the consortiums.

Which consortiums does Madonna University belong to?

- **OCICU:** Online Consortium of Independent Colleges and Universities
- **FOA:** Felician Online Alliance
- **DACHEC:** Detroit Area Catholic Higher Education Consortium

When should an advisor consider recommending a consortium course to a student?

- If the student needs a course to move along in their plan of study, but it is not offered at MU during that semester
- If the student is looking to take an independent study that could be satisfied by an FOA course
- If the student is looking to take a course that we don't offer at MU

How do MU students register for consortium courses?

- Students should schedule an appointment with their Retention Specialist to discuss their options and get registered
