

Wellspring for Living Stones

A Collection of Prayers, Reflections, and More | Volume 13 | August 12, 2020

The world has experienced unprecedented change in 2020, but **the Madonna University mission is steadfast.** Through twelve volumes of the *Wellspring*, the faculty and staff of the Mission Core Team have shared resources to help guide our community through uncharted waters. They are rooted in the MU mission **to instill Christian humanistic values, intellectual inquiry, a respect for diversity, and a commitment to serving others.** We have been honored to share them with you.

As our community prepares for the first semester of the 2020-2021 academic year, the Mission Core Team is working to bring *Wellspring* content to other MU platforms online and, when it is safe, in person. Wherever you see them next, we hope that these resources help us “reclaim the vision” despite upheaval and change. In the meantime, **every issue of the *Wellspring* is [archived online](#).** We invite you to explore, and reach out to us about how we can better serve you.
