*Retention rates measure the percentage of first-time students who are seeking bachelor's degrees who return to the institution to continue their studies the following fall. These results are based upon students who began their studies in Fall 2024 and returned in Fall 2025.

**Six-year graduation rate tracks students who began their studies as full-time, degree- or certificate-seeking students to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled. These results are based upon students who began their studies in Fall 2019.
