Your Success Is Our Greatest Achievement

Welcome to Madonna University

The **International Students Office** would like to welcome new and returning international students for the Fall semester. We are delighted that you have decided to join us. The International Student Office has several enjoyable events planned for the 2008-2009

academic year, and we encourage all student involvement and participation. The faculty and staff have pledged to work as hard as possible to support student needs. Feel free to approach us at any time throughout the academic year with any questions or concerns. With our combined efforts we hope to make this semester an overwhelming success.

Welcome to Madonna University

On September 12th, 2008, Madonna University held its annual Welcome Party. New and returning students, international and domestic, gathered together to celebrate the upcoming academic year. Students enjoyed food and refreshments donated from various departments of the university. There was a dish for every taste and everything from spaghetti with meatballs to sushi and chapche. The atmosphere was upbeat and cheerful as music circulated the Take-5 Lounge, while students mingled with new and familiar faces. A surprise raffle insured that fun was had by all. Students waited expectantly, hoping that their ticket number would be called, so they would get their chance at the prize table. Sweatshirts, umbrellas, candy, and bags, all with the Madonna University logo, were given away to eager students. Each walked away with smile on their face.
