

Vaping 101: What's Important to Know

Sponsored by Madonna University:

April 26, 2018; 7:00 – 8:00pm

Madonna University, Franciscan Center Lecture Hall

36600 Schoolcraft Rd, Livonia, MI

An informative and educational program for adults and adolescents to learn the facts about vaping.

Participants will learn:

- What a vape is and how it is used
- What are the effects of its use
- What are the legal issues surrounding vaping
