The repayment period for a Direct PLUS Loan begins 60 days after the last payment of the loan is sent to the school for that academic year. If you do not wish to go into immediate repayment, you can request deferment on your payments until 6 months after your student graduates, or drops below half time enrollment.

The student must carry a minimum of 6 undergraduate semester hours in the Fall and Winter terms to qualify for a PLUS loan. The student must be registered before the loan will be processed.
