

Identity Confirmation and Statement of Educational Purpose 2020-2021

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law requires that before awarding Federal Student Aid, we confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with other required documents. If there are differences, your FAFSA information may need to be corrected. You must appear in person at the Madonna University Financial Aid Office to complete the Statement of Educational Purpose and verify your identity within 30 days of this request. If you have questions about verification, contact the Financial Aid Office as soon as possible so that your financial aid will not be delayed. Your financial aid eligibility cannot be determined, and financial aid will not be awarded or disbursed, until the verification process is complete.

You must appear in person at the Madonna University Financial Aid Office to verify your identity by presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. Madonna University will maintain a copy of your photo ID that is annotated with the date it was received and reviewed, and the name of the official authorized to receive and review the student's ID.

In addition, you must sign, in the presence of the Madonna official, the Statement of Educational Purpose.

Please call the Financial Aid Office at 734.432.5663 if you cannot appear in person.
