

POSITION ANNOUNCEMENT

Job Title: Adjunct Instructor – Education Psychology

Department: Teacher Education Division

Reports To: Dean, College of Education and Human Development

Location: Livonia, Michigan

About Madonna University

Madonna University (www.madonna.edu) is a Catholic, Franciscan, liberal arts institution located between Detroit and Ann Arbor. The University is committed to academic excellence, service, and respect for the dignity of each person. This position offers the opportunity to contribute to the preparation of future educators by connecting foundational psychological theory to effective classroom practice within a mission-driven, student-centered environment grounded in Franciscan values.

Position Summary

The College of Education and Human Development invites applications for an Adjunct Instructor in Education Psychology. This position contributes to the preparation of future educators by connecting foundational psychological theory to effective classroom practice within a mission-driven, student-centered environment.

Qualifications

- Earned doctorate or advanced doctoral candidate in Educational Psychology, Teacher Education, or a closely related field
- Preparation and/or experience in teacher education and educational psychology
- Experience engaging teacher candidates in the study and application of major psychological theories of learning, development, and motivation
- Experience supporting candidates in developing and articulating a personal theory of learning and schooling

Responsibilities

- Teach undergraduate courses in the teacher education program (e.g., educational psychology, literacy education, early childhood education, educational foundations)
- Facilitate application of theory to instructional practice
- Provide timely feedback and assess candidate performance
- Maintain course records and adhere to university policies
- Maintain and manage the course in Blackboard, including course materials, communication, and gradebook

Appointment

This is a part-time adjunct faculty position. Course assignments are made on a per-term basis and are contingent upon enrollment. Anticipated start date: August 2026.

Application Process

Review of applications will begin immediately and continue until the position is filled.

Interested applicants should submit:

- Letter of interest outlining qualifications
- Curriculum vitae
- Names and contact information for three professional references

Submit materials to:

Kimberly Wallace-Smith
